### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Aaron F. Bourgeois on 8/3/2007.

The application has been amended as follows:

Claims 1-11, 21-37 have been canceled.

2. The following is an examiner's statement of reasons for allowance:

Regarding claim 12, the cited prior arts, either alone or in combination, fail to teach means for presenting privacy management options via an output component, wherein the privacy management options allow the user of the mobile device to specify the extent to which the user would like to receive share content messages initiated by another user of the content sharing system who has complied with privacy management functions imposed by the content sharing system, in combination with all of other limitations in the claim.

Claims 13-16, 19-20 depend on claim 12. Thus, they are allowable.

Claims 17-18 were allowed.

Regarding claim 38, the cited prior arts, either alone or in combination, fail to teach means for presenting privacy management options via an output component, wherein the privacy

management options allow the user of the mobile device to specify the extent to which the user would like receive share content messages with one or more other users of the content sharing system, as facilitated by the content sharing system, and means for inputting selected privacy management options to the content sharing system; means for presenting user input forms via an output component, wherein the user input forms allow the user to specify the one or more other users of the content sharing system to whom the user wishes to send share content messages, in combination with all of other limitations in the claim.

Regarding claim 39, the cited prior arts, either alone or in combination, fail to teach means for presenting user input forms via an output component, wherein the user input forms allow the user to specify one or more other users of the content sharing system to whom the user wishes to send share content messages wherein the one or more other users of the content sharing system have selected privacy management options; and means for sending share content messages in accordance with the user input forms, in combination with all of other limitations in the claim.

Claims 40-41 depend on claim 39. Thus, they are allowable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Huy D. Nguyen whose telephone number is 571-272-7845. The examiner can normally be reached on M-F.
